ISD Accreditation

ISD has been awarded candidacy status for the 1992-1993 school year by the North Central Association Commission of Schools (NCA). The status can be awarded to a school for three consecutive years.

The Management/Consulting Team has planned to apply for OPTIONAL/SPECIAL FUNCTION SCHOOL STATUS for the 1993-1994 school year. In addition to application for a changed status, the team has requested that ISD's self-study begin in February, 1994 and end in January, 1995.

The team has made application to the North Central Association Commission of Schools and the Conference of Educational Administrators Serving the Deaf (CEASD) for a combined site visit in March or April of 1995.

For more information, please contact George Stailey in the Superintendent's Office.

VIC Tours

Monday, April 19th

Four parents from Pittsburgh Hearing, Speech, and Deaf Services, Inc. will visit ISD. The group will arrive Sunday night, stay in the dorm, then spend Monday observing and information-gathering.

A visitor from Battle Creek, Michigan will tour ISD in the morning. Sheryl McKeen is a day care provider and will be in Indianapolis for the Day Care Convention.

Tuesday, April 20th

June Eastman will tour ISD in the afternoon while Gil Eastman is in town doing research at the Indiana Historical Society.

Wednesday, April 21st

Two groups of students from Collegewood Elementary in Carmel will be visiting (9:00 - 10:30 & 12:00 - 1:30). They have been reading "Voyage of Mimi," (which features a Deaf character) and want to know more about Sign Language.

Thursday, April 22nd

Three IUPUI nursing students will visit in the morning

Some Purdue University ASL students will tour and stay for lunch in Brown Cafeteria

BIBI Thought for the Week:

"...if we do not invest in our children today, we as a society will pay a terrible price in the future."

James E. Tucker, Superintendent, Maryland School for the Deaf

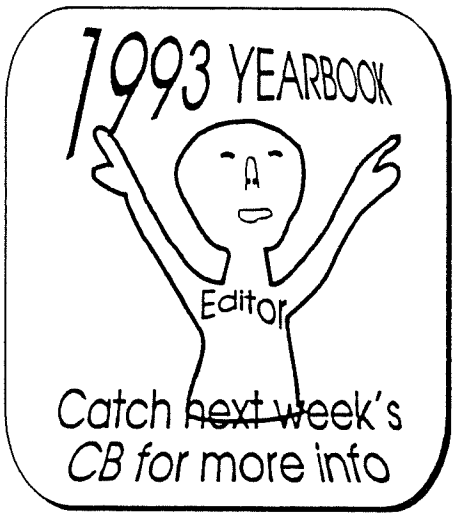
Lawrence Kindergartners Learn About Deaf People

On Wednesday, April 7th, ISD Deaf Studies Coordinator Pamela Haring, Community Services for the Deaf Director Ann Reifel and ISD Visitor and Information Center Director Kathy Smith visited the Lawrence Centralized Kindergarten Program. The 800 children had the opportunity to use an interpreter as Ann and Pamela discussed their lives.



Marsh Program Continues

Elementary Computer Lab Teacher Liz Foster reports that the community has now saved $200,000 in Marsh grocery receipts, qualifying the school for $1,500 to spend on computers. ISD Computer Specialist Dave Tester will coordinate purchases.

Marsh plans bonuses for additional receipts so please keep saving them until the June 5th deadline.

Reminder

Mary Beth Miller, ASL storyteller, actress, and author, will arrive Sunday evening, April 18th, to help ISD celebrate National Library Week (April 18th - 22nd). She will work with small groups of students in Alumni Hall Library Monday the 19th through Wednesday the 21st, and will perform in Alumni Hall Auditorium for High School students on Thursday the 22nd at 10:45 am.

Ms. Miller will also conduct a workshop for IPS students from School #70 at the Broadway Branch of the Indianapolis-Marion County Public Library on Wednesday afternoon.

Alumni Hall Library will be closed Monday, April 19th - Wednesday, April 21st for the workshops.

St. Pat's Kudos

Elementary Department teachers Sue Jones and Becki Philhower expressed their thanks recently to all those who contributed to the success of this year's Elementary Department Saint Patrick's Day Parade float.

A true community effort - parents, students, ISD's Management Team, Elementary Teachers, ISD's Athletic and Vocational Departments, Cafeteria Workers and Bus Drivers were among those who joined in the team effort.

ISD appreciates all their efforts!

Detention Free Quarter Noted

Eighteen Middle School Students received no detention halls in the third quarter. The group celebrated with a visit to Pizza Hut for lunch on Wednesday the 18th. Congratulations to:

Students and teachers expressed their thanks for the ISD-PTCO's sponsorship of this program.

Summer Student Employees Needed

The Student Employment Center will offer a summer work experience program again this year. The program is offered to ISD students fourteen years of age through junior year of high school. It will begin June 14th and end August 13th. Student employees will be allowed time off for vacations, summer camps, and other activities.

All participants will earn $4.25 per hour. All work will occur on campus. Transportation must be arranged by the parent (dorm will not be open). Student employees will also be required to bring their own lunch daily.

Each student will be required to get a work permit. A work permit can be obtained through ISD's guidance counselor, Chuck Daube. Students will also need to bring a picture ID and their Social Security card to prove US citizenship (required by law).

Please note - If Social Security card has been lost, duplicates may be obtained at the Social Security office in the Federal Building.

Any student interested in the program please contact Donna Stutler in the Student Employment Center at 924-8413 TTY/ Voice. Deadline for enrollment is May 7, 1993.

Summer Positions Open

The ISD Student Employment Center is seeking applicants for two (nine-month) positions. Interested individuals should be motivated to work with students as group leaders during the Summer Work Program. This program will begin June 14th and end August 13th.

If interested in this position, please fill out a state application along with a resume stating qualifications related to this job. Send to Donna Stutler in the Student Employment Center by April 30th.

Bringing the World Home
The global challenges that affect our communities are not easily understood. It is critical for us to become informed if we are to meet these challenges. The purpose of this national forum is to bring American educators together to collectively address the question: *How can we educate Americans to meet the challenges and take advantage in the new global community?* There are four pre-conference workshops being offered:

Bringing the World Home in Your Classroom
On the Cutting Edge: Connecting Curriculum Content
Internationalizing the Undergraduate Curricula
Interdisciplinary Games for Problem Solving.

The conference will take place June 4th - 6th at the Indianapolis Westin Hotel. Registration is $75.

1st Annual Tri-State Conference on Economic Education
Go to this conference to:

Learn Innovative Ways to Teach Basic Economic Concepts, K-12
Receive Curriculum Materials Free
This conference will occur June 18th - 19th at the Indiana Government Center. Registration is $15.

Asbestos Study Update

On October 26th, 1986, the Asbestos Hazard Emergency Response Act (AHERA) was signed into law. AHERA enacted rules requiring all Local Educational Agencies (LEA's) to inspect all facilities for the presence of asbestos and document the information in a comprehensive management plan.

ISD's initial inspection took place May 9th, 1989. The study included six month periodic surveillance of all buildings.

The results of the study were used in the development of ISD's comprehensive management plan which details strategies for the future including repairs, encapsulation, and removal. Periodic surveillance of all buildings will continue at six month intervals.

For additional information or copies of the management plan contact Physical Plant Director John Rahn (317) 924-4374 ext. 142 TTY/ Voice or Acting Assistant Superintendent for Business and Operations Linda Lloyd (317) 924-4374 ext. 192 TTY/Voice.

Health Center Facts

Your Smoke Gets in Their Ears

Tobacco smoke may be responsible for as many as one-third of the cases of recurrent ear infections in young children, says researcher Robert Stenstrom of Children's Hospital of Eastern Ontario in Canada. He and his colleagues compared 85 children under the age of five who had had four or more episodes of acute otitis media – the technical term for ear infection – the previous year. When they compared those children to a similar group who had not had ear infections, they found that 53 percent of children who had recurrent ear infections lived in homes in which a family member reported smoking 10 or more cigarettes a week for at least four weeks, compared to only 31 percent of the non-infected group. The Canadian researchers also discovered that how much a family member smoked was directly related to a child's risk of developing ear infections: children who received high exposure to second-hand smoke were three times as likely to develop otitis media. The study also found that exposure to smoke in poorly ventilated areas such as the car increased risk of infection significantly.

"One thing is clear," said Stenstrom, speaking to the annual meeting of the Royal College of Physicians and Surgeons of Canada late last year, "...parents should be pushed more aggressively not to smoke around their kids."

ASL Diagnostics to Begin

ASL diagnostics will be offered to Educational, Student Life, and Center support staff from May 3rd to May 27th on a voluntary basis. No staff will be *required* to participate. This will be an excellent opportunity for participants to discover their strengths and areas to improve in American Sign Language.

The Diagnostic Interview will last approximately 20 minutes. Several activities using ASL will take place. A videotape will be made of each interview. Tapes will then be viewed by a team of trained "diagnosticians." Several days later one of the diagnosticians will meet with you for up to an hour to give you feedback on your ASL skills (based on the video tape). If, for any reason, you are not comfortable working with the assigned interviewer or diagnostician, you may request a different person.

Diagnostic Interviews and Feedback Sessions will be scheduled during three separate time slots to accommodate all work schedules:

Dorm staff/night shift
8:00 - 9:00 am

Dorm staff/day shift
1:30 - 2:30 pm

Educational/Center staff
3:00 - 4:00 pm.

LRC, FSC
1:30 - 4:00 pm

Please contact Learning Resource Center secretary Pam Lewis (ext. 419) to schedule appointments for Diagnostic Interviews and for Feedback Sessions. **The Deadline for scheduling will be April 28th.**

Diagnostic Interviews and Feedback will be offered to other staff at a later date.
